

# TRUCKING EFFICIENCY

MAKING YOUR FUEL GO FARTHER

## Comprehensive, unbiased technology reviews

Tire Pressure Systems

6x2 Axles

Idle Reduction

Engine Parameters

Automated  
Transmissions

### In Progress

- Tires
- Downspeeding

### Upcoming

- Light-weighting
- Maintenance
- Driver Coaching
- Aerodynamics

## Fuel efficiency test data and benchmarking

- Annual Fleet Fuel Studies (2012-2014)
- Platooning Test Results
- Trailer Aero Cost and Uptake
- Barriers to Technology Adoption
- Michelin X-Country Fuel Test

## Workshops for open dialogue

- May 4, 2015 - Dallas, TX, ACT Expo
- June 2015 - Salt Lake City, UT
- 4 held in 2014 - Long Beach, CA  
| Little Rock, AR | Indianapolis, IN  
and Allentown, PA

## GET INVOLVED

- Participate in a study
- Sponsor our work
- Attend a workshop
- Consider adoption of one of the reviewed technologies - and let us know!

## MORE INFO

Full tech guides, Confidence Reports and further information are available at:
